

**Dated: 22<sup>nd</sup> January 2018**

**Planning application reference: RU.17/2041- Land to rear of 78A, Hummer Road, Egham. TW20.9BP**

The proposals are very similar to those put forward in planning applications RU17/0408 and RU17/0411.

We objected to those applications and we oppose this new one for the same reasons. We wish everything we said against those applications to be considered as arguments against this one too.

A copy of our letter of objection to the earlier applications is attached.

Yours faithfully,

Chris Fisher
